

Model Portfolios

Full Portfolio - Shot over two to three days. A portion is shot in studio and part on location, to give your portfolio the variety it needs. This package will create the images needed for both your portfolio and zed card. You will receive 20 fully retouched images, both digitally and printed in your portfolio. A zed card is also included in your package. Professional hair and make-up is provided on two days. Starting at \$3000.

Mini Portfolio and Zed Card - The package will create the images needed to produce your zed card and some additional shots to start your portfolio. You receive 10 fully retouched images both digitally and printed in your portfolio. Shot during one full day, part in studio and part on location. Hair and make-up is included. Starting at \$1250.

Zed Card - Shot on location or in the studio. The shoot lasts up to four hours. You will receive 5 full retouched digital images and prints. Package starts at \$550.

Start Me Up - Shot either on location or in the studio. The shoot lasts up to two hours. You will receive 4 full retouched digital images and prints. This is a great way to start and gain some experience in front of the camera. Package starts at \$300.

Call now to book your appointment and get your career off to the right start.
